DECISION ON PETITION
UNDER 37 CFR 1.137(b)

The petition to revive under 37 CFR 1.137(b) filed 12 February 2004 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the required reply from the due date until the filing of this petition was unintentional" and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has now provided a signed statement from the applicant/inventor avowing to having received, reviewed and executed a complete declaration and power of attorney, a copy of which was previously filed with the USPTO. Therefore, applicant has satisfied the concerns raised in the decision mailed 21 October 2003 and the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America. Further, a review of the application file reveals that all of the requirements of 35 U.S.C. 371 for entry into the national stage in the United States have been satisfied.

The application has an international filing date of 30 June 2000 under 35 U.S.C. 363 and will be given a date of **12 February 2004** under 35 U.S.C. 371(c)(1), (c)(2) and (c)(4).

This application is being returned to the United States Designated/Elected Office (DO/EO/US) for treatment in accordance with this decision.
